India Fintech Foundation - The Future of India's Fintech Sector

India - Dubai Fintech Roundtable Unlocking Global Expansion Pathways

 **Date : 31 Oct**  **Leela, Bengaluru**

India Fintech Foundation & Unified Fintech Forum organised, **The India-Dubai Fintech Roundtable** with the **Government of Dubai** on October 31st in Bengaluru, bringing together 17 leading Indian fintech companies who keen on Dubai & UAE expansion. The closed-door dialogue focused on understanding pathways, policies, and on-ground support to establish and scale operations in Dubai and UAE.

The roundtable highlighted three critical opportunities in UAE : Dubai's **D33 vision** outlining a 10-year growth blueprint for fintech innovation, enabling policies and incentives designed specifically for Indian fintech expansion, and comprehensive frameworks for regulatory compliance and market entry. **Several 1x1 dialogues were established for our members** as a follow-up to this session.
